

39219QLD Course in Preparation for Owner Builder Permit

Program Overview

This course is specifically designed to meet the Queensland Building Services Authority (QBSA) technical requirements to apply for a license as an Owner Builder. The course involves 'face to face' training by our experienced instructors who are all practicing builders.

In addition, participants have the unique opportunity to access the BOSS Home Display Centre and its over 100 exhibitors along with a visit to a BOSS Corporation building site to view and discuss the latest building techniques and pitfalls for Owner Builders who will act as Principal Contractor.

What will I study?

This course is designed to provide participants with the skills and knowledge to:

- Describe the preliminary actions and responsibilities involved in an owner builder project,
- Plan financial control and progress control, including estimating, budgeting, and scheduling of project,
- Describe the legal obligations of an owner builder,
- Plan off-site administration of a project, and
- Plan on-site administration of a project.

What are the entry requirements?

Anyone can enrol in this program, there are no special entry requirements. As a Principal Contractor (Owner Builder) you will need to obtain The General Safety Induction 'Blue Card' as a requirement of the Department of Workplace Health and Safety. These four hour sessions run separately at a cost of \$80.00 per person. Please contact our office for times and dates.

However, if the value of your building work for your project is more than \$11,000 you must do this program unless you are granted exemption by the BSA.

(Consult the BSA for details of the requirements of Owner Builders. There are Fact Sheets and details also available on the website)

How much will this course cost?

POA

When does the course begin?

We are delivering courses as required and anticipate initially that weekend course of 2 days will be available once per month. The next course date can be obtained from our office.

How long will this course take?

This course will run over two days (16 hours)

What materials/equipment do I need?

You will need to provide some stationery. BIAT will provide a Workbook and Resource Kit and Sample Bag of information from the BOSS Home Display Centre exhibitors as part of the course. As well as a conducted tour of the Display Centre and a 'working site' visit.

What will I receive?

On successful completion of this program you will receive a Statement of Attainment. You should then take this to the BSA along with other materials they require for a license application.

Can I apply for credit transfer or RPL?

Credit Transfer may give you advanced standing (exemption) for parts of the course that you have successfully completed through other Registered Training Organisations or other courses.

Recognition of Prior Learning (RPL) is available where an applicant may have attained the skills and knowledge equivalent to specific competencies through previous training, work experience or life experiences. We will automatically assess you in this area when you enroll.

What about Special assistance?

The BOSS Institute has identified qualified teachers to provide support in the areas of Language, Literacy and Numeracy assistance, Disability Assistance and general Learning Support. Your teacher in conjunction with these teachers will assess your Language, Literacy and Numeracy needs as well as arranging provision of learning support should you need it.
